Subject: Feedback from LDF team on formulation - Scania LDF-3 Approval Extension Application on IME 0604353-A

Dear sender,

By sending you this e-mail Scania confirm that we have acted on your request sent in on 2016-12-19.

We can verify that formulation code **IME0604353-A** marketed under trade name **Exol Taurus Resilient** in SAE **10W-40** viscosity class is using an oil blend corresponding to specification **Scania LDF-3**. The quality of the product is not in any way approved by Scania by this mail, as we have no insight in your supply logistics nor production process. This confirmation will expire one year from the date of this e-mail. Extension of confirmation may be possible by sending an email incl. product name and formulation code to: LDFapproval@scania.com, two months prior to the confirmation expiry date.

This confirmation is valid as long as the formulation code is unchanged.

Scania is free to withdraw the confirmation at any time and will if so inform you by replying to the e-mail requesting the original confirmation.

Sincerely

Scania LDF team
